

## Smart Glove for Sign Language Translation

I have uploaded the STM32Cube IDE code for our Smart Glove for Sign Language Translation project. However, I do not share this code publicly. If you are interested in accessing our code, please feel free to send me an email at the following address:

**Email Address:** skarmakar221027@bseee.uiu.ac.bd

Once I receive your request, I will provide access to the link. Below is the Google Drive link where the code is stored:
